St. Joseph's Church

Church Cleaning: We will be cleaning the church after the 5 pm mass on **Saturday, June 29th**. If you can stay to lend a hand, it would be much appreciated.

Cemetery Day: Spring Tune-up: Due to the weather not co-operating, we re-scheduled the cemetery clean-up for **Saturday, July 6th**, beginning at **8:30 am**. This will include grave levelling, and spreading of topsoil and grass seed to improve the overall appearance of the cemetery. Many volunteers are required. Please bring rakes, shovels, spreaders, and wheel barrows, etc.. Thank you very much.

Rosary after Mass: We will be praying the rosary together after the 5 pm mass on **Saturday, July 6th**, for the sick of the parish, and for any special intentions you may have. Please join us.

Cemetery Mass: Mass for those who are buried in St. Joseph's Cemetery will be held on **Saturday, July 20th**, at **5:00 pm**, followed by a strawberry shortcake reception at the St. Joseph's Lakeside Community Centre.

Parish Pastoral Council Meeting: The next parish council meeting will be held on **Wednesday, September 11th**, at **7:00 pm** in the Pioneer Room. All parishioners are welcome and encouraged to attend.

Wheelchair Accessible Door: The door at the entrance to the church lobby is designed to be wheelchair accessible. However, it is not working as it should, and parishioners are asked to use caution when opening and closing the door, making sure it does not bang shut.

Parish Council has contacted the original installer, and an inspection by one of their representatives has determined that the door mechanism that controls the opening and closing of the door is too old and not repairable. A new unit will be installed in due course.

Please take care, and thank you for your cooperation.

Dementia Friendly Books

People's Place Library, Antigonish

A new collection of Dementia Friendly items and books, discussion cards, Memory Kits (of interesting items to spark memories and conversations), and other resources for caregivers is now available at the library.

Dementia Friendly books offer engaging content, just like other books, but they use techniques like special fonts and spacing, navigation cues, and pictures to encourage memory retention and make stories easier to follow.

All books and items may be placed on hold (or request), and borrowed for three weeks by library patrons with a current library card, which is free.
