## Year of Saint Joseph

This year is a special year for our Church. Pope Francis has declared 2021 to be the Year of St. Joseph, to run through to December 8<sup>th</sup>.

St. Joseph's "hidden life" of service mirrors the lives of so many people today who are carrying out hidden acts of love and kindness during the pandemic.

## Diocese of Antigonish

### This year is the 10<sup>th</sup> anniversary of the Permanent Diaconate in our diocese

Discernment of a diaconate vocation must always begin with prayer. Thomas Aquinas said "Grace builds on nature", meaning God will lead us to truths we may never discover on our own. The path to becoming a deacon is often prompted by an inner calling, or by inspiration from other deacons and members of the pastoral community. The journey requires careful consultation and consistent interest as discernment continues right up to the very moment of ordination. In every case, a person who thinks he may have a vocation to the diaconate must first pray :)

### Indigenous Delegation to the Vatican

Following the 10 June 2021 announcement regarding the delegation of Indigenous people to meet with the Holy Father to foster meaningful encounters of dialogue and healing, the Catholic Bishops of Canada are pleased to announce that the delegation is scheduled to take place from 17-20 December 2021 in compliance with global travel restrictions.

Pope Francis will meet with each of the three distinct groups of delegates – First Nations, Métis and Inuit – as well as a final audience with all delegates together on 20 December.

This pastoral visit will include the participation of a diverse group of Elders/Knowledge Keepers, residential school survivors and youth from across the country, accompanied by a small group of Bishops and Indigenous leaders.

### We Are Neighbours

#### **New Study Guide Now Available**

A new resource has been created and released by the Canadian Conference of Catholic Bishops – Evangelical Fellowship of Canada National Dialogue.

This new study guide invites Catholics and Evangelicals to come together to form joint study groups. The guide includes study questions, suggested ice-breakers, ideas for considering common social action, and suggestions for building relationships through faith practice. This guide aims to assist Catholics and Evangelicals, wherever they may encounter each other in Canadian society, to become more familiar with their brothers and sisters in Christ.
