### A Message From Bishop Wayne Kirkpatrick

Most current Public Health restrictions and mandates have ended, but this does not mean that the pandemic has ended. It will be important to use personal public health measures, both individually and collectively, to help keep each other safe, especially those who are at risk of severe disease due to age and/or underlying health issues.

Masking and social distancing are no longer required. However, we still encourage masking and social distancing in our churches. We need time to make the adjustment to the so-called "new-normal" as we learn to live with COVID.

Those who may not be able to attend church for health reasons or due to other COVID-19 restrictions are dispensed from the obligation to attend Sunday Mass.

### An Act of Spiritual Communion

My Dearest Jesus, I believe that You are present in the most Holy Sacrament. I love You above all things, and I desire to receive You into my soul.

Since I cannot, at this moment, receive You sacramentally, come at least spiritually into my heart. I embrace You as if You were already there and unite myself wholly to You. Never permit me to be separated from you. Amen.

## ST. JOSEPH'S CHURCH COVID-19 PRECAUTIONS

**Effective March 21<sup>st</sup>** the mandate for Covid-19 regulations was lifted by the Provincial Dept. of Health.

**This is news that many people** will be glad to hear; however, there are many others who may be nervous about it.

**In an effort to continue to control** the spread of the Covid-19 virus we offer the following recommendations for weekly Mass attendance for your consideration. We do recognize these recommendations are optional, and the final choice is yours as to whether you accept or reject any or all of them.

....continue to wear Face masks

....continue to sanitize hands at the church entrance and before receiving communion

....continue to maintain social distancing for procession to and from receipt of communion

**Hand sanitizing stations** are available at the entrance to the church, and in the center isle for use before receiving communion. Extra bottles of sanitizer are also available at the back of the church for those who prefer to use them.

**In summary**, we are simply giving parishioners an opportunity and hopefully a comfort level to help you feel safe attending Mass, and at the same time attempt to control/prevent the spread of the Covid-19 virus.
